

**GREEN INDIA
CORPORATION**

Commitment, Quality, Values and Integrity

EVERY SOLUTION FOR **BOILERS**

Committed To Satisfy Our Various Customers Through
Quality Products & On Time Services
By Offering Sustainable Solutions In Energy Field.

Add : Office No. 701, G-Building, Tulsi Landmark, Moshi Pradhikaran, Chinchwad, Pune- 411 019.

About Us

Green India Corporation is well established, Medium Size & Professionally managed company which offers various Products & Services in sector of Thermal Systems. We provide Sustainable solutions in Energy & Environment field.

We have qualified & experienced engineers team backed up by strong front end sales & Marketing which helps for better projects handover schedule to end customers.

Green India Corporation supplies various boiler spares including IBR & Non IBR Parts & its related services.

What We Offer In Market

Various Boiler IBR Pressure parts & its spares like Inbed Evaporator coil & its bends, Inbed Superheater coils & its bends, Studded / Plain Coil spool piece, Economiser Coil & its bends, Primary & Secondary Coils & its bends, Water wall Panel, Boiler Bank Tubes, All headers, Evaporator coils, Wing wall tubes, RDZ Tubes, Spiral Fin Tubes etc.

We also offer for various Non IBR Boiler spares like All Travagrate Boiler castings & Hydraulic Drive spares, AFBC Boiler Mixing Nozzles & its spares, Coal Feed Nozzle & its spares, Air Nozzles, Cross, Rotary Air Lock valve (RAV), Coal Rotary feeder, Expansion joints in various MOC, IBR & Non IBR Valves, Dampers, APH Tubes & its ferrules, Spent wash fired boiler various spares like Spent wash gun & its nozzle, Air Nozzles, Flexible hose pipe, Coal Screw feeder shaft, Rapping hammer system spares, ESP & bag filter spares, Bagasse Twin drum feeder & its spur gear, Soot blower spares, Boiler refractory & its spares, IBR/ Non IBR Plugs etc.

We also offer various integrated boiler related services for Operation & maintenance, Service Supervision on per diem basis or Fixed rate contract basis, Travagrate Boiler Overhauling.

Core Values

- **Customer Eccentricity.**
- **Quality Products & Services To All Customers.**
- **Transparency & Integrity With Customers.**
- **Team Work With Clients.**
- **Contribution Towards Green Society.**

Quality Policy

We are committed to satisfy our various customers through Quality Products & On time services by offering sustainable solutions in Energy Field.

All Boilers Pressure parts SS Clamps & Sleeve

We Green India Corporation is a leading Manufacturing & suppliers of all Boilers Pressure Parts like Economiser Coils, Inbed Coils, Superheater Coils & Heaters. Also we supplied SS Clamps & Sleeve which is utilized for bends & boiler tubes Protection purpose .

Boilers Coils 180 Degree Bends & C Bends

We Green India Corporation is a leading manufacturers & suppliers of all boiler Economiser, Superheater, Inbed Coils 180 Degree and C Bends. (IBR and Non-IBR)

AFBC Boiler Mixing Nozzle

We are a leading manufacturers & suppliers of AFBC Boiler various Mixing Nozzle Assembly (Like 100 NB/125 NB/150 NB), which plays a vital role in Air + Fuel Mixing for AFBC Boiler. We supply it's various spares also like Injector, Diffuser, Throat, Inner block, Mixing chambers etc.

AFBC & Spent Wash fired Boiler Air Nozzles & Bubble Caps

We Green India Corporation is a leading manufacturers & suppliers of AFBC, CFBC, Spent wash fired Boiler Air Nozzles, Bubble Caps with SS 310/ SS 304, CS, Investment Casting with and without threading.

AFBC & TG Boiler Coal Rotary Feeder

We Green India Corporation is a leading manufacturers & suppliers of Coal Rotary feeders with SS adjustable blades and SS Rotor. We supplied Coal Rotary Feeders in MS Fabricated body as well as in Casting material with Air Purge arrangement.

Spent Wash Fired Boiler Coal Screw Feeder Shaft, Ash Conditioner Shaft, Travagrate Drive & Idle Shaft

We Green India Corporation is a leading manufacturers & suppliers of Coal Screw feeder shaft, Ash Conditioner Shaft, Travagrate Drive and Idle Shaft with Hardening.

Travagrate Boiler Various Grate Castings

We manufacture & supplier of Travagrate Boiler various Grate castings, Skid Shoe, Skid Rail, T-bar, Sprocket, Chain, Carbon Bush Bearing, Front & Rear Air Seal, Skid Rail Etc.

Travagrate Boiler Hydraulic Drive Coupling & Hydraulic Dive Spares

We Green India Corporation is a leading manufacturers & suppliers of Travagrate Boiler Hydraulic Drive coupling & All Hydraulic Dive Spares Parts.

Boilers Ducting Metallic Expansion Joints- Single Loop/Double Loop

We Green India Corporation is a leading manufacturers & suppliers of boilers ducting metallic Expansion joints- Single loop/ Double loop in SS 316, SS 304 and MS Material.

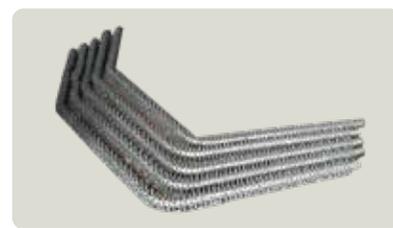

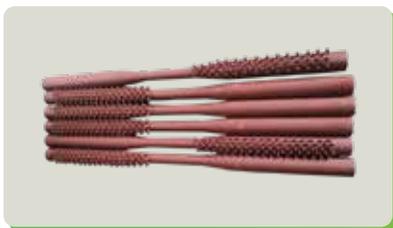

All Boilers Rotary Air Lock Valve (RAV)

We Green India Corporation is a leading manufacturers & suppliers of All Boilers RAV in MS Fabricated, CI and SS body with MS/ SS shaft, adjustable blades alongwith air-purge arrangement.

Oil & Gas fired,BFG Fired Boiler Burner Swirler

We Green India Corporation is a leading manufacturers & suppliers of Oil & Gas fired Boiler,BFG Fired Burner Swirler in SS 304, SS 316 and SS310 material.

CFBC Boiler RDZ Tubes and Wing Wall Studded Tubes

We Green India Corporation is a leading manufacturers & suppliers of RDZ Tubes and Wing Wall Studded Bend Tubes in CFBC Boiler with studding arrangement . Studs will be in SS304 or SS 310 Material.

Travagrate Boiler Bagasse Twin Drum Feeder, Rotary feeder & Spur Gear

We Green India Corporation is a leading manufacturers & suppliers of Travagrate Boiler Bagasse Twin drum Feeders & Rotary Feeders, Spur Gears for Bagasse Handling systems

All Boilers APH Tubes & Its Ferrules

We Green India Corporation is a leading Manufacturing & suppliers of All Boilers Air Pre-Heaters Tubes & It's SS Ferrules

Spent Wash Fired Boiler-Spent Wash Gun Assembly With Flexible Hose

We Green India Corporation is a leading manufacturers & suppliers of Spent wash Gun assembly with Flexible Hose. MOC will be SS 310 with or without air arrangement.

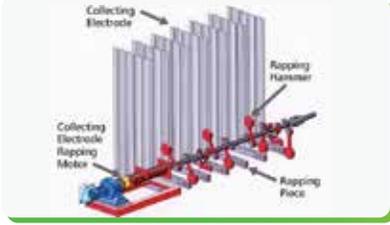

Boilers ESP, Bags Filters, Cooling Tower Spares

We Green India Corporation is a leading Manufacturing & suppliers of ESP,Bags Filtersand Cooling Tower Spares. We supplied Collecting, Discharge Electrode, Bag Filters Bags, SS Cage and Cooling Tower Fills and Spray Nozzles etc.

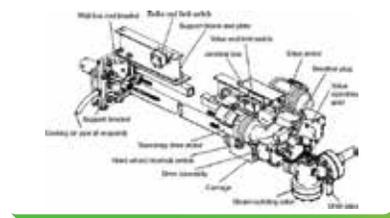

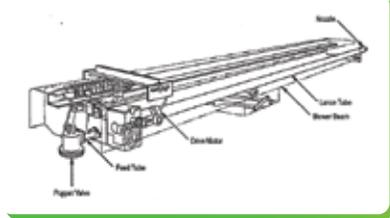

CFBC Boiler MDC Spares & SS Porous Sheet

We Green India Corporation is a leading manufacturers & suppliers of all MDC Spares like Swirlers, Inner cone & Outer cone, SS Porous sheet for Unburnt recovery system in CFBC Boilers

Spent Wash Fired & Cement WHR Boiler Rapping Hammering System & It's Spares

We Green India Corporation is a leading manufacturers & suppliers of Rapping Hammers System & It's spares like Hammers, Cam, Rubber Bellows, Plummer Blocks etc.

All Boilers LRSB & RSB Soot Blower Spares

We Green India Corporation is a leading Manufacturing & suppliers of LRSB & RSB Soot blower Spares like Feed Tubes, Lance Tube, Spings Etc.

Boiler Coal Handling System, Ash Handling System and It's Spares

We Green India Corporation is a leading suppliers of Boilers Coal Handling and Ash Handling System and Its Spares like Impact Rollers, Idlers Rollers, Chain, Rubber Belt, Sprockets Etc.

Boilers-IBR & Non IBR Valves, Piping & Fittings, Flanges, Hardwares & Gaskets etc.

We Green India Corporation is a leading suppliers of Boilers IBR & Non IBR Valves, Piping and Fittings, Flanges, Hardwares and Gaskets etc. We will supply above material in SS, CS, AS, MS Material.

Boiler Insulation, Cladding & Refractory Material

We are supplier of Insulation, Cladding & Refractory material for all kind of Boilers.

Boilers & Water Treatment Plant Chemicals

We Green India Corporation is a leading suppliers of Boiler and Water Treatment Plant Chemicals.

All Boiler Fan Impellers ,Shaft, Sprockets, Pulleys, Belts

We Green India Corporation is a leading suppliers of Boilers Fan Impellers, Shaft, Sprockets, Pulleys and Belts Etc.

CFBC Boiler Coal Feed Chute Pipe with Fins & Internal Arrangement:

We Green India Corporation is leading Manufacturers & supplier for one of the most Critical component for CFBC Boiler Coal Feed Chute Pipe (MOC Alloy Steel Pipe) with Fins & Internal Arrangement which play vital role in fuel feeding arrangement .

Travagrate Boiler Chain & its Internal Spares :

We Green India Corporation is leading Manufacturers & supplier for Travagrate Boiler Chain arrangement with Different MOC of EN-19 & EN -24 with its internal loose spares also like Chain Straight Pin, Chain Roller ,Chain Link & split pin.

AFBC Boiler IBSH Support & its Internal Spares :

We Green India Corporation is leading Manufacturers & supplier for AFBC Boiler IBSH Support arrangement with MOC SS 310 & its other loose spares Tying Plate , Connecting plate ,Link ,Casting Bracket , Split Bar ,Support Bar & other hardware set e.g M64,M45,M20 with MOC SS 310

AFBC Boiler CI Cross :

We Green India Corporation is leading Manufacturers & supplier for AFBC Boiler CI Cross with different Sizes of 125 NB &150 NB with MOC CI . CI Cross is integral part of Fuel Feeding system in AFBC Boiler.

TG Boiler Rolled & Fabricated T bar:

We Green India Corporation is leading Manufacturers & supplier for Travagrate Boiler Rolled & Fabricated T bar with various length of 2-5 mtr as per OEM Design .T bar is critical & important spare for Travagrate (TG) Boiler in furnace system.

CFBC Boiler SS Porous sheet :

We Green India Corporation is leading Manufacturers & supplier for CFBC Boiler SS Porous sheet with various size as per OEM ,which is critical & important component for Unburnt fuel collection system in CFBC Boiler.

Travagrate (TG) Boiler Bagasse Drum Feeder & screw feeder Arrangements :

We Green India Corporation is leading Designer, Manufacturers & supplier for Travagrate Boiler Bagasse Drum Feeder & screw feeder Arrangements in line with fuel feeding capacity .

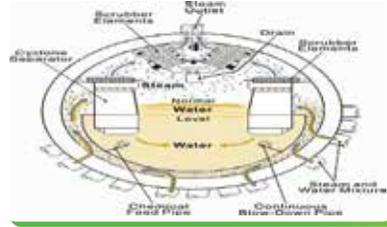

CFBC Boiler RDZ Tiles & MDC Spares :

We Green India Corporation is leading Manufacturers & supplier for CFBC Boiler RDZ Tiles spares with various size for Wing wall Panel & Divisional Panel for CFBC Boiler .

TG Boiler Cinder Recovery sytem & its spares :

We Green India Corporation is leading Manufacturers & supplier for Travagrate Boiler Bagasse Cinder Recovery system & its internal spares like ventury ,Bend etc.

Steam Drum Internals Primary & Secondary Scrubbers:

We Green India Corporation is leading Manufacturers & supplier for Boiler Steam Drum Internal Spares like Primary & Secondary Scrubbers, Cyclone separator & internal attachments.

Steam Drum level gauges & its spares.

We Green India Corporation is leading Manufacturers & supplier for Boiler Steam Drum Level Guages & its spares

TG Boiler Carbon bush bearings .

We Green India Corporation is leading Manufacturers & supplier for Travagrate Boiler Carbon Bush Bearings as per Shaft Design with ID of 125 mm & OD 165 mm with MOC MY3A

ESP Collecting & Discharge Electrode.

We Green India Corporation is leading Manufacturers & supplier for ESP Spares like Collecting & Discharge Electrode with different MOC as per Temp conditions .

Rapping system Hyplon Boot & Rubber bellow with SS clamp arrangement .

We Green India Corporation is leading Manufacturers & supplier for Spaent wash fired boiler rapping system Rubber bellow .

Cast Bassalt Bends .

We Green India Corporation is leading Manufacturers & supplier for Cast Bassalt Bends also .

AFBC Boiler Bed Drain slide gates.

We Green India Corporation is leading Manufacturers & supplier for AFBC Boiler bed drain slide gate for different size configuration of 100/125/150 NB as per requirement.

All Boilers Electrical & Pneumatically Operated Diverted Dampers.

We Green India Corporation is leading Manufacturers & supplier for Various Boilers Electrical & Pneumatically Operated Diverted Dampers as per requirement & actual site conditions .

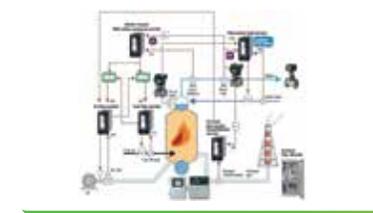

IBR Sample cooler spares .

We Green India Corporation is leading Manufacturers & supplier for Various Boilers IBR Sample cooler & its spares for various applications like ,Saturated Steam, Superheated Steam, Feed Water etc .

Pneumatic Spreader Assembly & its spares .

We Green India Corporation is leading Manufacturers & supplier for Bagasse Fired Boilers Pneumatic Spreader with size 18 " ,24",30 " for Travagrate Boiler .

Boilers Electrical & Instruments Spares

We Green India Corporation is a leading suppliers of Boilers Electrical & Instruments spares like Cables, Motors, Level Gauges, Pressure Gauges, Temperature Sensors, Level-Pressure and Temperature Transmitter, Pressure Pressure Switch, Control Panel Spares etc.

OUR CLIENTS

OUR PRODUCTS

- » Superheater Coils and Bends
- » Economiser Coils and Bends
- » Inbed and IBSH Coils
- » Water Wall Panels
- » RDZ Tubes
- » TG Castings
- » Bag Filters Spares
- » Coal Mixing Nozzles
- » Coal Feed Nozzles
- » IBR Valves, Pipes, Flanges and Fittings
- » Flexible Hose
- » Sprockets and Pulleys
- » Burner Swirler, Fan Impeller and Shafts
- » Bubble Caps
- » Air Nozzles
- » Coal Screen
- » Coal Rotary Feeders
- » Rotary Air Lock Valves
- » Expansion Joints
- » Spur Gears
- » Carbon Bush Bearings
- » Hydraulic Drive Spares
- » Rapping System Spares
- » ESP Spares
- » Spent Wash Guns
- » AFBC Boiler Cross
- » Refractory, Insulation and Cladding Material
